

Terrell Rifle and Pistol Club
2023 Smallbore Prone & Light Rifle Prone Match Program
NRA Approved
Terrell, Texas

Sponsor: Terrell Rifle & Pistol Club
Location: Club range located east and north of Terrell, Texas. See web site for detailed directions
Rules: Current NRA smallbore rules will govern

For Light Rifle, the following rules will apply.
Rifles may not exceed 7.5 lbs. without sling, trigger pull must be at least 3 lbs. and adjustable butt plates are not allowed.
Scopes or Iron sights. Scopes may not exceed 6 power.
Target: A31
Clothing: No more than 2 layers (shirt, sweatshirt). Jackets or heavy winter clothing are not permitted (an exception may be made during unusually cold weather).
Sling: Not more than 1 ¼" wide.
Glove: Ordinary work or sport glove on the support hand only.
The intent is to make the Light Rifle match open to all at low cost and not create an "equipment race."
Light Rifle will be fired concurrently with the 50-yard portion of the Smallbore match.

Entries: Tournament is limited to the first fourteen shooters. Registration will be at the range and will close 15 minutes prior to start time.

Contact: Alan Wilson – 469-236-7242 or Wilson1am@hotmail.com

Fee: \$10 (\$4.50 is the NRA fee)

Time of Firing: 0900

Squadding: One relay only. Competitors will be required to score adjacent targets

Classification: The NRA classification system will not be utilized

Category: "Sling shooters" will be categorized according to the type of sighting system used (scope or iron sights); F-class shooters will be combined, except that scores will be reported to the NRA according to type of equipment used. Upon approval of the match director, a competitor may switch sighting systems between scope or iron; a competitor may not switch between "sling shooting" and F-class.

Course Of Fire: 600 point conventional aggregate ("sling shooters")

Match 1 1 x 20 shots at 50 yards on A-23 targets
Match 2 1 x 20 shots at 50 yards on the reduced 50-meter target (A-27)
